Housing discrimination can deny you many opportunities.

Your race should not affect your home, your health, your children, or your job. Under the Fair Housing Act, it is ILLEGAL for landlords and real estate agents to refuse to let you rent or buy a home because of your race. If you believe your rights have been violated, file a complaint. We all deserve to live in safe housing with access to opportunities.

Everyone has a right to fair housing!

EQUAL HOUSING OPPORTUNITY

La discriminación en la vivenda puede negarte muchas oportunidades.

Tu raza no debe afectar tu vivienda, tu salud, tus hijos ni tu trabajo. Según la Ley de Igualdad de Vivienda, es ilegal que los propietarios y los agentes de bienes raíces te nieguen alquilar o comprar una vivienda debido a tu raza. Si crees que tus derechos han sido violados, presenta una queja. Todos merecemos vivir en viviendas seguras con acceso a oportunidades.

¡Todos tienen derecho a la igualdad de vivienda!

EQUAL HOUSING OPPORTUNITY

Ang diskriminasyon sa pabahay ay maaaring tanggihan ka ng maraming pagkakataon.

Ang iyong lahi ay hindi dapat makaapekto sa iyong tahanan, iyong kalusugan, iyong mga anak, o iyong trabaho. Sa ilalim ng Fair Housing Act, ILEGAL para sa mga may-ari at mga ahente ng lupa at bahay na tumanggi na magparenta o bumili ng bahay dahil sa iyong lahi. Kung naniniwala kang nalabag ang iyong mga karapatan, magsampa ng reklamo. Karapat-dapat tayong lahat na manirahan sa ligtas na pabahay na may makukunan sa mga pagkakataon.

Ang bawat tao ay may karapatan sa patas na pabahay!
