BETTER JOBS

Your race should not affect your home, your health, your children, or your job. Under the Fair Housing Act, it is **ILLEGAL** for landlords and real estate agents to refuse to let you rent or buy a home because of your race. If you believe your rights have been violated, file a complaint. We all deserve to live in safe housing with access to opportunities.

Everyone has a right to fair housing!

Tu raza no debe afectar tu vivienda, tu salud, tus hijos ni tu trabajo. Según la Ley de Igualdad de Vivienda, es ilegal que los propietarios y los agentes de bienes raíces te nieguen alquilar o comprar una vivienda debido a tu raza. Si crees que tus derechos han sido violados, presenta una queja. Todos merecemos vivir en viviendas seguras con acceso a oportunidades.

¡Todos tienen derecho a la igualdad de vivienda!
